INTRODUCTION

E-ticketing through IRCTC website www.irctc.co.in, has revolutionized the way the common man deals with the railways and has been biggest success story of e-governance in India. To facilitate more and convenient payment options for IRCTC customers, IRCTC is now introducing Policy for 'Book Now Pay Later' Payment option under its umbrella of various payment modes on its e-ticketing Website and Mobile App. The Features of such payment integration is as under:

- User can book train ticket by Opting 'Book Now Pay Later' payment mode even if, he is not having a Credit Card.
- No need to Carry Credit Card or depend on Net banking. User can just book the ticket using his credentials.
- Payment for e-ticket booked through this payment mode will be collected from the customer on delivery of e-ticket or as per the timelines given by the Payment Provider for such payment option.
- This payment mode is not applicable for booking of I-ticket.

Norms for Integration of "Book Now Pay Later" Payment Mode on IRCTC Reserved Rail e-ticketing platform (Website and Mobile App).

1 Name of the Policy:

"Policy for integration of 'Book Now Pay Later' Payment Provider on IRCTC e-ticketing Website and Mobile App".

2 Name of the Payment Provider:

Firms/Banks/Financial Institutions who are providing Book Now Pay Later Payment Mode for booking e-tickets through IRCTC Website/Mobile App will be known as Pay

Later Payment Provider.

3 Eligibility Criteria:

3.1 All the existing integrated and upcoming Banks/Payment Providers/ Financial Institutions, including Start-up Firms, who are interested to provide ‘Book Now Pay Later’ Payment mode will be eligible to get integrated under this policy.

3.2 Banks/Payment Providers/ Financial Institutions providing ‘Book Now Pay Later’ payment mode on IRCTC e-ticketing Website and Mobile App for booking of Rail e-tickets (I-ticket not allowed) will be governed by ***“Policy for Book Now Pay Later Payment Provider Integration on IRCTC e-ticketing Website and Mobile App”***.

3.3 General Pay Later Payment Provider (GPLPP):
