

Process to get refund through IRCTC RSPs (Retail Service Provider):

1. **Visit the RSP (Agent):** Go to the IRCTC-authorized agent from whom you booked the ticket.
2. **Provide Ticket Details:** Share the PNR number with the agent for verification.
3. **Request for Cancellation:** Inform the agent that you wish to cancel the ticket.
4. **Receive Refund Code:** Once the agent cancels the ticket, a refund code by IRCTC is sent on passenger's mobile number.
5. **Collect Refund:** Passenger's share the refund code (OTP) with the agent, who will use it to process and release the refund amount as per IRCTC rules.
6. **Retain Proof:** Keep any confirmation or receipt provided by the agent for your records.
7. **OTP based Refund Scenarios:**
 - When RSP cancelling the ticket on behalf of the customer.
 - In case ticket is auto cancelled due to non-confirmation of ticket.
 - In case train is cancelled for entire route. However, in this case refund is issued after date of journey.

IRCTC refund code shared by passenger to IRCTC RSP is similar to Railway counter tickets handed over at Railway counters for cancellations.
